

Beth Younder

Facilitator / Account Manager

byounder@ngenperformance.com

Tel: 416-362-7564 Ext. 3

With over 10 years of experience, Beth brings humour, enthusiasm and a hands-on approach to her facilitation. She is passionate about creating partnerships with clients that exceed expectations and driving desired behaviour, action and results, at an individual and organizational level.

As an associate with **n-gen People Performance Inc.** her expertise in adult learning and performance consulting is leveraged to help clients better manage, engage and lead a multigenerational workforce. As a highly engaging speaker, Beth is skilled in designing, developing and executing dynamic learning solutions that get, keep and grow all four generations of talent.

Beth has a Bachelors degree in Sociology and Psychology from Queen's University and has completed the St Francis Xavier Adult Learning Education program.
